Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Transitional Aid to Localities shall be allocated to provide short-term financial assistance where needed to help a municipality which is in serious fiscal distress to meet immediate budgetary needs and regain financial stability. A municipality shall be deemed to be eligible for transitional aid if the municipality is identified by the Director of the Division of Local Government Services (Director) as experiencing serious fiscal distress where the Director determines that, despite local officials having implemented substantive cost reduction strategies, there continues to exist conditions of serious fiscal distress, which may include but not be limited to, substantial structural or accumulated deficits, ongoing reliance on non-recurring revenues, limited ability to raise supplemental non-property tax revenues,

15 may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount
16 not in excess of the amount of Transitional Aid to Localities such municipality received in
17 fiscal year 2011 and shall not reduce the amount of Consolidated Municipal Property Tax
18 Relief Aid such municipality shall receive for fiscal year 2012. Provided however, if the

21 Aid pursuant to this provision that municipality is not relieved from compliance with the
22 requirements for transitional aid.

23 The amount hereinabove appropriated for Transitional Aid to Localities is subject to the
24 following condition: notwithstanding the provisions of R.S.43:21-14 or any other law or
25 regulation to the contrary, the Commissioner of Labor and Workforce Development, in
26 consultation with the Commissioner of Community Affairs, is authorized to enter into
27 individualized payment plan agreements with municipalities that receive Transitional Aid for
28 the reimbursement of unemployment benefits paid to former employees of such municipal
29 government units, at reasonable interest rates based on current market conditions, and on such
30 other terms and conditions as may be determined to be appropriate by the Commissioner of
31 Labor and Workforce Development. Any municipality that enters into an individualized
32 payment plan agreement pursuant to this section shall be required to expend all funds
33 budgeted for this activity remaining as of the last day of its budget year for the repayment of
34 outstanding obligations under the plan.

35 Notwithstanding the provisions of any law or regulation to the contrary, any qualified
36 municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal

40 to the Intermunicipal account, as defined pursuant to section 59.1 of P.L.1968, c.404
41 (C.13:17-61). The amount so credited shall reduce by one-third the required meadowlands
42 adjustment payments to the account.

44
45 The amount hereinabove appropriated for Consolidated Municipal Property Tax Relief Aid shall
46 be distributed on the following schedule: on or before August 1, 45% of the total amount due;
47 September 1, 30% of the total amount due; October 1, 15% of the total amount due; November
1, 5% of the total amount due; December 1 for municipalities operating under a calendar fiscal

1 year, 5% of the total amount due; and June 1 for municipalities operating under the State fiscal
2 year, 5% of the total amount due.

3 Notwithstanding the provisions of any law or regulation to the contrary, from the amounts
4 received from the appropriation to the Consolidated Municipal Property Tax Relief Aid
5 program and received from amounts transferred from Consolidated Municipal Property Tax
6 Relief Aid to the Energy Tax Receipts Property Tax Relief Fund account, each municipality
7 shall be required to distribute to each fire district within its boundaries the amount received

12 Tax Relief Fund since fiscal year 2008.

13 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
14 appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed in the

21 Notwithstanding the provisions of any law or regulation to the contrary, the Director of the

28 remaining State Aid used as municipal property tax relief. The chief financial officer of the
29 municipality shall pay to the school districts such amounts as may be due by December 31.

30 Notwithstanding the provisions of any law or regulation to the contrary, the release of the final

36 and shall receive at least a minimum score on such inventory as determined by the Director
37 of the Division of Local Government Services; provided, however, that the Director may take
38 into account the particular circumstances of a municipality in computing such score. In
39 preparing the Best Practices Inventory, the Director shall identify best municipal practices in
40 the areas of general administration, fiscal management, and operational activities, as well as
41 the particular circumstances of a municipality, in determining the minimum score acceptable
42 for the release of the final 5% or \$500, whichever is greater, of the total annual amount due
43 for the current fiscal year, but in no event shall amounts be withheld with respect to municipal
44 practices occurring prior to the issuance of the Best Practices Inventory unless related to a
45 municipal practice identified in the Best Practices Inventory established in 2010. However,
46 for the purposes of calculating whether a municipality has achieved the minimum score, any
47 question which did not appear on the State Fiscal Year 2011 survey shall not be counted

3 recreation and conservation purposes shall be provided only to municipalities whose payments
4 received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds of the

7 or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to the
8 contrary, all payments to municipalities in lieu of taxes for lands acquired by the State and
9 non-profit organizations for recreation and conservation purposes shall be retained by the

22 for payment of principal and interest on any bond anticipation notes issued pursuant to section
23 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant to

26 Local Government Services that the municipality does not have sufficient funds available for
27 prompt payment of principal and interest on such notes, and shall be paid by the State
28 Treasurer directly to the holders of such notes at such time and in such amounts as specified
29 by the Director, notwithstanding that payment of such funds does not coincide with any date

32 to direct the Director of the Division of Budget and Accounting to transfer appropriations from
33 any State department to any other State department as may be necessary to provide a loan for
34 a term not to exceed 30 days to a municipality faced with a fiscal crisis, including but not
35 limited to a potential default on tax anticipation notes. Extension of the term of the loan shall

42 eligible municipality shall receive \$18 per capita if it qualifies under each of the four
43 following criteria and \$10.50 per capita if it qualifies under any three of the following criteria:
44 (a) a violent crime rate per 1,000 population for 2009 equal to or greater than 110% of the
45 average of violent crime rates per 1,000 population for all municipalities for 2009 according
46 to the Uniform Crime Report published by the Division of State Police; (b) a nonviolent crime
47 rate per 1,000 population for 2009 equal to or greater than 110% of the average of nonviolent
crime rates per 1,000 population for all municipalities for 2009 according to the Uniform

Crime Report published by the Division of State Police; (c) an equalized municipal purposes tax rate for 2010, calculated as the amount to be raised by taxes for the municipal budget as reported in column 12Ciia and plus the amount to be raised by taxation for the municipal open space budget as reported in column 12Ciib, divided by the net valuation for county tax apportionment as reported in column 11 of 2010 county abstracts of ratables equal to or greater than 110% of the average of the equalized municipal purposes tax rates in all municipalities for 2010; and (d) an average residential property value for 2010 equal to or below 90% of the average of residential property values for all municipalities for 2010. An eligible municipality’s population shall be determined using data from the 2010 federal decennial census. If the amount of aid so calculated for each eligible municipality totals to an amount greater than \$50,000,000 each eligible municipality’s amount shall be reduced proportionally such that the total amount distributed equals \$50,000,000. Any distribution of Public Safety Municipal Aid received by an eligible municipality pursuant to this provision shall not affect the eligible municipality’s qualification, calculation and receipt of any other aid, including but not limited to Transitional Aid to Localities. Municipalities shall appropriate Public Safety Municipal Aid for public safety, homeland security, and other purposes which promote safe and secure conditions within the municipality.

The Director of the Division of Local Government Services shall permit any municipality that received Regional Efficiency Aid Program funds pursuant to the annual appropriations act for fiscal year 2010, P.L.2009, c.68, to use a portion of Consolidated Municipal Property Tax Relief Aid to provide Regional Efficiency Aid Program benefits pursuant to P.L.1999, c.61 (C.54:4-8.76 et seq.).

Notwithstanding the provisions of section 20 of P.L.2007, c.260 (C.18A:7F-62) to the contrary,

Notwithstanding the provisions of any law or regulation to the contrary, all revenues collected from the tax on cosmetic medical procedures pursuant to P.L.2004, c.53 (C.54:32E-1) shall be deposited in the Health Care Subsidy Fund established pursuant to section 8 of P.L.1992, c.160 (C.26:2H-18.58).

Notwithstanding the provisions of any law or regulation to the contrary, as a condition of the receipt of any monies hereunder by an acute care hospital that is requesting an advance of charity care/Medicaid or payments from the “Health Care Facilities Improvement Fund” or any payments over and above this act, the hospital shall comply with a request by the Commissioner of the Department of Health and Senior Services for a review of its finances and operations to ensure that access to health care is maintained and public funds are utilized for their intended purpose, the cost of such review to be borne by the acute care

1 hospital, and shall comply with any financial and operational performance requirements
2 imposed by the commissioner as deemed necessary as a result of the review.

3 Notwithstanding the provisions of section 3 of P.L.2004, c.113 (C.26:2H-18.59i) or any other law
4 or regulation to the contrary, the appropriation for Health Care Subsidy Fund Payments in
5 State Fiscal Year (SFY) 2012 shall be calculated using a multiple regression-based formula
6 such that: (a) source data used shall be from (1) Hospital Patient Discharge Uniform Billing
7 (UB) Data from calendar year 2009 as released by the Department of Health and Senior
8 Services (DHSS), (2) charity care subsidy allocation for SFY 2011 as announced by DHSS
9 in July 2010, and (3) charity care subsidy allocation for SFY 2010 as announced by DHSS
10 in July 2009 and including any subsequent reallocations; (b) the SFY 2010 charity care
11 subsidy allocation shall be proportionately increased for each eligible hospital to increase
12 the total subsidy to \$675,000,000 for this calculation purpose; (c) the SFY 2012 charity care
13 subsidy allocation calculation for each eligible hospital shall begin with a constant value of
14 \$674,269.40 and be increased by 88.38172% of its Charity Care subsidy allocation for SFY
15 2010 as calculated in subsection (b) above; (d) the SFY 2012 charity care subsidy allocation
16 calculated thus far for each eligible hospital shall be increased by 2.06784% of the total
17 charges from the payer category "self pay" in the calendar year 2009 UB data and then
18 decreased by 0.12446% of the total charges from all payer categories in the calendar year
19 2009 UB data; (e) the SFY 2011 charity care subsidy allocation for each eligible hospital
20 shall be divided by the total charges for the payer category "self pay" in the calendar year
21 2009 UB data to generate a ratio for this calculation purpose and then multiplied by a
22 constant value of \$4,239,097; (f) the SFY 2012 charity care subsidy allocation calculated
23 thus far in subsection (d) above for each eligible hospital shall be reduced by the amount
24 calculated in subsection (e) above; (g) if the SFY 2012 charity care subsidy allocation
25 calculated thus far is less than \$175,000 for any eligible hospital, the SFY 2012 charity care
26 subsidy allocation thus far shall be increased to \$175,000; (h) the SFY 2012 charity care
27 subsidy allocation calculated thus far for each eligible hospital shall be proportionately
28 increased or decreased so that the total initial calculated SFY 2012 charity care subsidy shall
29 be equal to \$675,000,000; (i) the SFY 2012 charity care subsidy allocation calculated thus
30 far for each eligible hospital shall be multiplied by 25%; (j) the SFY 2011 charity care
31 subsidy allocation for each eligible hospital shall be multiplied by 75%; (k) the amounts
32 calculated in subsections (i) and (j) above shall be added together for each eligible hospital
33 producing the SFY 2012 charity care subsidy allocation for each eligible hospital; (l) the
34 resulting number will constitute each eligible hospital's SFY 2012 charity care subsidy
35 allocation. A proportionate increase or decrease shall be applied to all hospitals if necessary
36 such that the calculated SFY 2012 charity care subsidy allocation for all hospitals totaled
37 shall not exceed \$675,000,000.

38 Of the amount hereinabove appropriated for Health Care Subsidy Fund Payments, any amounts
39 not allocated to a hospital-specific State fiscal year 2012 charity care subsidy is
40 appropriated, subject to the approval of the Director of the Division of Budget and
41 Accounting, to the Health Care Stabilization Fund established pursuant to P.L.2008, c.33
42 (C.26:2H-18.74 et seq.) and applied as set forth in such act. Combined funding for charity
43 care and the Health Care Stabilization Fund shall not exceed \$705,000,000.

44 Notwithstanding the provisions of any law or regulation to the contrary, any funds remaining as
45 the result of closure of a hospital eligible to receive Disproportionate Share Hospital (DSH)
46 funds shall be redistributed at the discretion of the Commissioner of the Department of
47 Health and Senior Services. Factors the commissioner will consider shall include, but not
be limited to, maintenance of continued timely access to essential health services for persons

1 eligible to participate in charity care, and continued operation in the same or adjoining
2 municipality as the closed hospital of an acute care hospital, eligible to receive DSH funds,
3 and serving substantially the same eligible population. Notice of such redistribution shall
4 be provided to the Joint Budget Oversight Committee within five business days of each
5 redistribution.

6 The amounts hereinabove appropriated for Health Care Subsidy Fund Payments are conditioned
7 upon the following provision: the Department of Health and Senior Services shall review,
8 examine and/or audit any and all financial information maintained by an acute care hospital
9 to ensure appropriate use of public funds.

10 The amounts hereinabove appropriated for charity care or other funding to a health care facility
11 is conditioned upon the following requirement: such health care facility shall participate in
12 planning meetings supervised by the Department of Health and Senior Services for the
13 planning of the provision of hospital, medical or health programs and services, and shall, to
14 the extent permitted by State and federal law, share patient-level data as needed to facilitate
15 such purposes.

16 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
17 appropriated from the Health Care Subsidy Fund for charity care payments are subject to
18 the following condition: in a manner determined by the Commissioner of Health and Senior
19 Services and subject to the approval of the Director of the Division of Budget and
20 Accounting, eligible hospitals shall receive (1) their charity care subsidy payments
21 beginning in July 2011, (2) an aggregate amount of \$10,000,000 of their July and August
22 2011 payments in October 2011, (3) their September 2011 payments in October 2011, and
23 (4) their January 2012 payments in December 2011.

24 Notwithstanding the provision of any law or regulation to the contrary, the amount hereinabove
25 appropriated is subject to the following condition: charity care claims for fiscal year 2012
26 shall be documented. Provided further, on or before April 1, 2012 the Commissioner of
27 Health and Senior Services shall provide a report to the chairs of the Senate Budget and
28 Appropriations Committee and the Assembly Budget Committee on the charity care
29 payment distribution payment methodology. The report shall include the differences, if any,
30 between the charity care payment distributions as would be made pursuant to the payment
31 distribution methodology proposed in the Governor's Budget Message for fiscal year 2013
32 and the charity care payment distributions as would be made pursuant to the payment
33 distribution methodology established pursuant to section 3 of P.L.2004, c.113 (C.26:2H-

11 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
13 claims to providers of medical services, amounts may be transferred to and from the various
15 items of appropriation within the General Medical Services program classification in the
17 Division of Medical Assistance and Health Services in the Department of Human Services
and the Medical Services for the Aged program classification in Senior Services in the
Department of Health and Senior Services, subject to the approval of the Director of the
Division of Budget and Accounting. Notice thereof shall be provided to the Legislative
Budget and Finance Officer on the effective date of the approved transfer.

19 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
21 claims to providers of medical services, amounts may be transferred between the various
23 items of appropriation within the Medical Services for the Aged and Programs for the Aged
program classifications to ensure the continuity of long-term care support services for
25 beneficiaries receiving services within the Medical Services for the Aged program
classification in the Division of Senior Services in the Department of Health and Senior
27 Services, subject to the approval of the Director of the Division of Budget and Accounting.
Notice thereof shall be provided to the Legislative Budget and Finance Officer on the
effective date of the approved transfer.

29 All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194
(C.30:4D-20 et seq.) during the preceding fiscal year are appropriated for payments to
providers in the same program class from which the recovery originated.

31 Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
33 receipts generated or savings realized in the Medical Services for the Aged or
Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives
35 included in the current fiscal year appropriations act may be transferred to administration
accounts to fund costs incurred in realizing these additional receipts or savings, subject to
the approval of the Director of the Division of Budget and Accounting.

37 Subject to federal approval, the appropriations for those programs within the Medical Services
39 for the Aged program classification are conditioned upon the Division of Medical
Assistance and Health Services in the Department of Human Services and the Department
of Health and Senior Services implementing policies that would limit the ability of persons
41 who have the financial ability to provide for their own long-term care needs to manipulate
current Medicaid rules to avoid payment for that care. The Division of Medical Assistance

1 and Health Services and the Department of Health and Senior Services shall require, in the
2 case of a married individual requiring long-term care services, that the portion of the
3 couple's resources which are not protected for the needs of the community spouse be used
4 solely for the purchase of long-term care services.

5 Such sums as may be necessary are appropriated from enhanced audit recoveries obtained by the
6 Department of Health and Senior Services to fund the costs of enhanced audit recovery
7 efforts of the Department within the Medical Services for the Aged program classification,
8 subject to the approval of the Director of the Division of Budget and Accounting.

9 The amounts hereinabove appropriated for Payments for Medical Assistance Recipients-Nursing
10 Homes are available for the payment of obligations applicable to prior fiscal years.

11 Such sums as may be necessary are appropriated from the General Fund for the payment of
12 increased nursing home rates to reflect the costs incurred due to the payment of a nursing
13 home provider assessment, pursuant to the "Nursing Home Quality of Care Improvement
14 Fund Act," P.L.2003, c.105 (C.26:2H-92 et seq.), and P.L.2004, c.41, subject to the approval
15 of the Director of the Division of Budget and Accounting.

16 Notwithstanding the provisions of N.J.A.C.8:85 or any law or other regulation to the contrary,
17 the amounts hereinabove appropriated for Payments for Medical Assistance Recipients -
18 Nursing Homes and Global Budget for Long Term Care shall be conditioned upon the
19 following: (1) the per diem reimbursement rates effective July 1, 2011, for nursing facilities
20 shall be developed according to the new rate setting methodology that shall be codified
21 under N.J.A.C.8:85 during fiscal year 2011, including any changes that may be codified
22 during fiscal year 2012; (2) except as otherwise provided in this FY 2012 Appropriation
23 Act, regardless of the actual calculated reimbursement per diem rate arising from
24 implementation of this methodology, a nursing facility's per diem reimbursement rate shall
25 not vary more than \$10.00 from the per diem reimbursement rate received by that facility
26 during fiscal year 2010; and (3) monies designated pursuant to subsection c. of section 6 of
27 P.L.2003, c.105 (C.26:2H-97) for distribution to nursing homes less the portion of those
28 funds to be paid as pass-through payments in accordance with paragraph 1 of subsection d.
29 of section 6 of P.L.2003, c.105 (C.26:2H-97) shall be combined with amounts hereinabove
30 appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global
31 Budget for Long Term Care for the purpose of Medicaid reimbursement to nursing facilities
32 according to the new rate setting methodology. For the purposes of this paragraph, a nursing
33 facility's per diem reimbursement rate shall not include, if the nursing facility is eligible for
34 reimbursement, the difference between the full calculated Provider Tax add-on and the
35 Quality of Care portion of the Provider Tax add-on.

36 Notwithstanding the provisions of any law or regulation to the contrary, no payment for Medicaid
37 Adult or Pediatric Medical Day Care services, as hereinabove appropriated in the Medical
38 Day Care Services account, shall be provided unless the services are prior authorized by
39 professional staff designated by the Department of Health and Senior Services.

40 Notwithstanding the provisions of any law or regulation to the contrary, amounts hereinabove
41 appropriated for Medical Day Care Services shall be conditioned upon the following
42 provision: the per diem fee-for-service reimbursement rate for all adult Medical Day Care
43 providers, regardless of provider type, shall be set at \$78.50.

44 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
45 appropriated for Medical Day Care Services shall be conditioned on the following provision:
46 physical therapy, occupational therapy and speech therapy shall no longer serve as
47 permissible criteria for eligibility in the adult Medical Day Care Program.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove

appropriated for Medical Day Care Services shall be conditioned on the following provision: effective August 15, 2010, no payments for Medicaid adult medical day care services shall be provided on behalf of any beneficiary who received prior authorization for these services based exclusively on the need for medication administration.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned on the following provision: no licensed facility in the adult Medical Day Care Program may serve or receive reimbursement for more than 200 Medicaid beneficiaries per day. Furthermore, no reimbursement will be provided for any claim in excess of a given facility's licensed capacity as established by the Department of Health and Senior Services.

Notwithstanding the provisions of N.J.A.C.8:87 or any other law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be subject to the following condition: the daily reimbursement for fee-for-service pediatric medical day care shall remain at the rate established in the preceding fiscal year.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled Program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount Program payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be \$5.00 for generic drugs and \$7.00 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Health and Senior Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a)-(c).

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies

1 for prescriptions purchased by the PAAD program and the Senior Gold Prescription
Discount Program shall continue during the current fiscal year, provided that the
3 manufacturer's rebates for PAAD claims paid as secondary to Medicare Part D and for the
Senior Gold Prescription Discount Program shall apply only to the amount paid by the State
5 under the PAAD and Senior Gold Prescription Discount Program. All revenues from such
rebates during the current fiscal year are appropriated for the PAAD program and the Senior
7 Gold Prescription Discount Program.

In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the
9 Aged and Disabled and the Senior Gold Prescription Discount Program, there are
appropriated from the General Fund and available federal matching funds such additional
11 sums as may be required for the payment of claims, credits, and rebates, subject to the
approval of the Director of the Division of Budget and Accounting.

13 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold
15 Prescription Discount Program are conditioned upon the Department of Health and Senior
Services coordinating benefits with any voluntary prescription drug mail-order or specialty
17 pharmacy in a Medicare Part D provider network or private third party liability plan network
for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary
19 prescription coverage that requires use of mail order. The mail-order program may waive,
discount, or rebate the beneficiary copayment and mail-order pharmacy providers may
21 dispense up to a 90-day supply on prescription refills with the voluntary participation of the
beneficiary, subject to the approval of the Commissioner of Health and Senior Services and
23 the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
25 appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
to the Aged and Disabled (PAAD) programs are conditioned upon the Department of Health
27 and Senior Services coordinating the benefits of the PAAD programs with the prescription
drug benefits of the federal "Medicare Prescription Drug, Improvement, and Modernization
29 Act of 2003" as the primary payer due to the current federal prohibition against State
automatic enrollment of PAAD recipients in the new federal program. The PAAD program
31 benefit and reimbursement shall only be available to cover the beneficiary cost share to
in-network pharmacies and for deductible and coverage gap costs (as determined by the
33 Commissioner of Health and Senior Services) associated with enrollment in Medicare Part
D for beneficiaries of the PAAD and Senior Gold Prescription Discount programs, and for
35 Medicare Part D premium costs for PAAD beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
37 in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and
Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall
39 be available as payment as a PAAD program or Senior Gold Prescription Discount Program
benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy
41 network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
43 Modernization Act of 2003" and the current federal prohibition against State automatic
enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the
45 Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program
recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold
47 Prescription Discount Program accounts shall be expended for any individual unless the
individual enrolled in the PAAD program or Senior Gold Prescription Discount Program

1 provides all data necessary to enroll the individual in Medicare Part D, including data
2 required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid
3 Services.

4 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
5 appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
6 to the Aged and Disabled programs, and Senior Gold Prescription Discount Program shall
7 be conditioned upon the following provision: no funds shall be appropriated for the refilling
8 of a prescription drug until such time as the original prescription is 85% finished.

9 Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize
10 drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription
11 Discount Program is conditioned on the Senior Gold Prescription Discount Program being
12 designated the authorized representative for the purpose of coordinating benefits with the
13 Medicare drug program, including appeals of coverage determinations. The Senior Gold
14 Prescription Discount Program is authorized to represent program beneficiaries in the
15 pursuit of such coverage. Senior Gold Prescription Discount Program representation shall
16 include, but not to be limited to, the following actions: pursuit of appeals, grievances, and
17 coverage determinations.

18 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
19 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
20 or the Senior Gold Prescription Discount Program shall be expended to cover medications
21 not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
22 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
23 by the PAAD program and Senior Gold Prescription Discount Program which are
24 specifically excluded by the federal "Medicare Prescription Drug, Improvement, and
25 Modernization Act of 2003" (MMA). In addition, this exclusion shall not impact the
26 beneficiary's rights, guaranteed by the MMA, to appeal the medical necessity of coverage
27 for drugs not on the formulary of a Medicare Part D plan.

28 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
29 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
30 or the Senior Gold Prescription Discount Program shall be expended for diabetic testing
31 materials and supplies which are covered under the federal Medicare Part B program, or for
32 vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or
33 cosmetic drugs, including but not limited to: drugs used for baldness, weight loss, and skin
34 conditions.

35 From the amount hereinabove appropriated for the Senior Gold Prescription Discount Program,

19 et seq.), during the current fiscal year are appropriated for payments to providers in the same
21 program class from which the recovery originated.

23 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
25 claims to providers of medical services, amounts may be transferred to and from the various
27 items of appropriation within the Medical Services for the Aged program classification,
29 subject to the approval of the Director of the Division of Budget and Accounting. Notice

33 of the approved transfer.

35 For the purposes of account balance maintenance, all object accounts in the Medical Services for
37 the Aged program classification shall be considered as one object. This will allow timely
39 payment of claims to providers of medical services, but ensure that no overspending will
41 occur in the program classification.

43 Notwithstanding the provisions of P.L.1988, c.92 (C.30:4E-5 et seq.) to the contrary, funds
45 appropriated for the Home Care Expansion Program (HCEP) shall be paid only for

individuals require services covered by the HCEP.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
receipts generated or savings realized in Casino Revenue Fund, Medical Services for the
Aged, or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from
initiatives included in the current fiscal year's annual appropriations act may be transferred
to administration accounts to fund costs incurred in realizing these additional receipts or

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the
payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits,
notwithstanding any provision contained in contracts, wills, agreements, or other
instruments. Any provision in a contract of insurance, will, trust agreement, or other
instrument which reduces or excludes coverage or payment to an individual because of that
individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD
payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and
Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
(C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged
and Disabled program shall be \$5.00 for generic drugs and \$7.00 for brand name drugs.

1 Notwithstanding the provisions of any law or regulation to the contrary, no State funds are
2 appropriated for the Drug Utilization Review Council in the Department of Health and
3 Senior Services, and therefore, the functions of the council shall cease.

4 Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
5 of a plan by the Commissioner of Health and Senior Services, no funds appropriated for the
6 Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
7 P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer,
8 unless participating pharmaceutical manufacturing companies execute contracts with the
9 Department of Health and Senior Services, through the Department of Human Services.
10 Name brand manufacturers must provide for the payment of rebates to the State on the same
11 basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42
12 U.S.C. s.1396r-8(a)-(c).

13 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
14 for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
15 P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical
16 manufacturing companies execute contracts with the Department of Health and Senior
17 Services, through the Department of Human Services, providing for the payment of rebates
18 to the State. Furthermore, rebates from pharmaceutical manufacturing companies for
19 prescriptions purchased by the PAAD program shall continue during the current fiscal year,
20 provided that the manufacturers' rebates for PAAD claims paid as secondary to Medicare
21 Part D shall apply only to the amount paid by the State under the PAAD program. All
22 revenues from such rebates during the current fiscal year are appropriated for the PAAD
23 program.

24 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
25 the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the
26 Department of Health and Senior Services coordinating benefits with any voluntary
27 prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network
28 or private third party liability plan network for beneficiaries enrolled in a Medicare Part D
29 program or beneficiaries with primary prescription coverage that requires use of mail order.
30 The mail-order program may waive, discount, or rebate the beneficiary copayment and
31 mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills
32 with the voluntary participation of the beneficiary, subject to the approval of the
33 Commissioner of Health and Senior Services and the Director of the Division of Budget and
34 Accounting.

35 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
36 appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
37 is conditioned upon the Department of Health and Senior Services coordinating the benefits
38 of the PAAD program with the prescription drug benefits of the federal "Medicare
39 Prescription Drug, Improvement, and Modernization Act of 2003" as the primary payer due
40 to the current federal prohibition against State automatic enrollment of PAAD program
41 recipients in the federal program. The PAAD program benefit and reimbursement shall only
42 be available to cover the beneficiary cost share to in-network pharmacies and for deductible
43 and coverage gap costs (as determined by the Commissioner of Health and Senior Services)
44 associated with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior
45 Gold Prescription Discount Program, and for Medicare Part D premium costs for PAAD
46 program beneficiaries.

47 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior

1 Gold Prescription Discount Program accounts shall be available as payment as a PAAD
3 program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not
enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
5 Modernization Act of 2003" and the current federal prohibition against State automatic
6 enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
7 recipients, no funds hereinabove appropriated from the PAAD account shall be expended
8 for any individual enrolled in the PAAD program unless the individual provides all data that
9 may be necessary to enroll the individual in Medicare Part D, including data required for the
subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

11 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
12 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
13 shall be conditioned upon the following provision: no funds shall be appropriated for the
refilling of a prescription drug until such time as the original prescription is 85% finished.

15 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
16 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
17 shall be expended to cover medications not on the formulary of a PAAD program
18 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
19 by PAAD which are specifically excluded by the federal "Medicare Prescription Drug,
Improvement, and Modernization Act of 2003" (MMA). In addition, this exclusion shall
21 not impact the beneficiary's rights, guaranteed by the MMA, to appeal the medical necessity
of coverage for drugs not on the formulary of a Medicare Part D plan.

23 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
24 appropriated for the Pharmaceutical Assistance to the Aged and Disabled program shall be
25 expended for diabetic testing materials and supplies which are covered under the federal
26 Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the
27 treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used
for baldness, weight loss, and skin conditions.

29 Notwithstanding the provisions of any law or regulation to the contrary, of the amount
30 hereinabove appropriated for the Community Based Senior Programs (CRF) account,
31 \$400,000 shall be charged to the Casino Simulcasting Fund.

Notwithstanding the provisions of section 2 of P.L.1988, c.114 (C.26:2M-10) or any other law
33 or regulation to the contrary, the amount appropriated for Community Based Senior
34 Programs is subject to the following condition: private for-profit agencies shall be eligible
35 grantees for funding from the Community Based Senior Programs account for Alzheimer's
Disease activities.

37 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
38 in the Pharmaceutical Assistance to the Aged and Disabled program classification shall be
39 expended for fee-for-service prescription drug claims with no Medicare Part D coverage
except under the following conditions: (1) through August 31, 2011, (a) reimbursement for
41 the cost of all legend and non-legend drugs shall be calculated based on the lowest of: (i)
the Average Wholesale Price less a volume discount not to exceed 17.5% as shall be
43 determined by the Commissioner and the Director of the Division of Budget and
Accounting; or (ii) the federal upper limit (FUL); or (iii) the state upper limit (SUL); or (iv)
45 a pharmacy's usual and customary charge; and (b) the current prescription drug dispensing
fee structure set as a variable rate of \$3.73 to \$3.99 shall remain in effect through August
47 31, 2011; (2) on or after September 1, 2011, (a) drug cost for all legend and non-legend
single source, brand-name multi-source, and multi-source drugs shall be calculated based

upon, in the discretion of the commissioner: (i) cost acquisition data submitted by providers, suppliers, and/or wholesalers of pharmaceutical services for single source, brand-name multi-source, and multi-source drugs; or (ii) the wholesale acquisition cost (WAC) less a one percent volume discount for single-source and multi-source brand-name drugs; or (iii) the lesser of the SUL or FUL for multi-source drugs; (3) on or after September 1, 2011, drug reimbursement shall be calculated, in the discretion of the Commissioner, based on either: (i) the lesser of the acquisition data from providers, suppliers and/or wholesalers for single source, brand-name multi-source, and multi-source drugs plus a professional fee or a provider's usual and customary charge; or (ii) the lesser of WAC less one percent plus a dispensing fee of \$3.73 to \$3.99 for single-source and multi-source brand-name drugs or a provider's usual and customary charge; or (iii) the lesser of SUL or FUL plus \$3.73 to \$3.99 for multi-source drugs or a provider's usual and customary charge. In the absence of acquisition data on or after September 1, 2011, reimbursement shall be based on the lesser of 3.ii or 3.iii above. To effectuate the purposes of this paragraph, which is intended to be budget neutral, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers, suppliers, and/or wholesalers of pharmaceutical services for reimbursement of dispensing or administering single source, brand-name multi-source, and multi-source drugs, and no funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

47 Assistant Commissioner of the Division of Mental Health and Addiction Services and the
Grantee, or the governmental entity, as the case may be, described below, shall follow all

Prior to the end of calendar year 2011 and again prior to the end of the fiscal year, the Commissioner of Human Services shall notify the Joint Budget Oversight Committee of each grant awarded, the amount of each grant, and the recipients of the grants.

State Aid:

08	Support of Patients in County Psychiatric Hospitals	(\$131,659,000)
----	--	-----------------

1 The unexpended balance at the end of the preceding fiscal year in the Support of Patients in
2 County Psychiatric Hospitals account is appropriated for the same purpose.

3 Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State
4 share of payments from the Support of Patients in County Psychiatric Hospitals account to
5 the several county psychiatric facilities on behalf of the reasonable cost of maintenance of
6 patients deemed to be county indigents shall be at the rate of 45% of the established State
7 House Commission rate during the period January 1 through June 30 of each year and 125%
8 during the period July 1 to December 31 of each year, such that the total amount to be paid
9 by the State on behalf of county indigent patients shall not exceed 85% of the total reasonable
10 per capita cost. Provided, however, beginning January 1, 2011, the rate at which the State
11 will reimburse the county psychiatric hospitals shall not exceed 100% of the per capita rate
12 at which each county pays to the State for the reasonable cost of maintenance and clothing
13 of each patient residing in a State psychiatric facility, excluding the depreciation, interest and
14 carry-forward adjustment components of this rate, and including the depreciation, interest,
15 and carry-forward adjustment components of each individual county psychiatric hospital's
16 established State House Commission rate.

17 Notwithstanding the provisions of any other law or regulation to the contrary, the amount
18 hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
19 conditioned upon the following provision: payments to county psychiatric hospitals will only
20 be made after receipt of their claims by the Division of Mental Health and Addiction
21 Services. County psychiatric hospitals shall submit such claims no less frequently than
22 quarterly and within 15 days of the close of each quarter.

23 With the exception of all past, present, and future revenues representing federal financial
24 participation received by the State from the United States that is based on payments to
25 hospitals that serve a disproportionate share of low-income patients, which shall be retained
26 by the State, the sharing of revenues received to defray the State Aid appropriation for the
27 costs of maintaining patients in State and county psychiatric hospitals shall be based on the
28 same percent as costs are shared between the State and counties.

29 The amount hereinabove appropriated for State Aid reimbursement payments for maintenance
30 of patients in county psychiatric facilities shall be limited to inpatient services only, except
31 that such reimbursement shall be paid to a county for outpatient and partial hospitalization
32 services as defined by the Department of Human Services, if outpatient and/or partial
33 hospitalization services had been previously provided at the county psychiatric facility prior
34 to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed
35 the amount of State Aid funds paid to reimburse outpatient and partial hospitalization
36 services provided during calendar year 1997. In addition, any revision or expansion to the
37 number of inpatient beds or inpatient services provided at such hospitals which will have a
38 material impact on the amount of State Aid payments made for such services, must first be
39 approved by the Department of Human Services before such change is implemented.

40 The amount hereinabove appropriated for the Division of Mental Health and Addiction Services
41 for State facility operations and the amount appropriated as State Aid for the costs of county
42 facility operations are first charged to the federal Disproportionate Share Hospital (DSH)
43 reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues
44 earned by the State related to services provided by county psychiatric hospitals which are
45 supported through this State Aid appropriation shall be considered as the first source
46 supporting the State Aid appropriation.

47 In addition to the amounts hereinabove appropriated for the Support of Patients in County
Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental

1 Health and Addiction Services determines that, in order to provide the least restrictive setting
appropriate, a patient should be admitted to a county psychiatric hospital in a county other
3 than the one in which the patient is domiciled rather than to a State psychiatric hospital, there
are hereby appropriated such additional sums as may be required, as determined by the
5 Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred
in connection with the care of such patient in a county psychiatric hospital which exceeded
7 the cost of care which would have been incurred had the patient been placed in a State
psychiatric hospital, subject to the approval of the Director of the Division of Budget and
9 Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
11 conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and
continue to maintain enrollment as providers in the State's Medicaid program; (2) complete
13 or pursue in good faith the completion of eligibility applications for patients who could be
Medicaid eligible; (3) bill the Medicaid program for all applicable services; and (4) neither
15 admit nor discharge patients based upon Medicaid eligibility.

Notwithstanding the provisions of any other law or regulation to the contrary, the amount
17 hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
conditioned upon the county psychiatric hospitals providing and certifying all information
19 that is required by the State to prepare a complete, accurate, and timely claim to federal
authorities for Medicaid Disproportionate Share (DSH) claim revenues.

27 The amounts hereinabove appropriated for Payments for Medical Assistance Recipients are
available for the payment of obligations applicable to prior fiscal years.

29 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
claims to providers of medical services, amounts may be transferred to and from Payments for
Medical Assistance Recipients - Adult Mental Health Residential and Payments for
31 Medical Assistance Recipients - Other Services accounts within the General Medical

1 Services program classification in the Division of Medical Assistance and Health Services
2 and the Payments for Medical Assistance Recipients - Personal Care and the Payments for
3 Medical Assistance Recipients - Other Services accounts in the Division of Disability
4 Services in the Department of Human Services. Amounts may also be transferred to and
5 from various items of appropriation within the General Medical Services program
6 classification of the Division of Medical Assistance and Health Services in the Department
7 of Human Services and the Medical Services for the Aged program classification in the
8 Division of Aging and Community Services in the Department of Health and Senior Services.
9 All such transfers are subject to the approval of the Director of the Division of Budget and
10 Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer
11 on the effective date of the approved transfer.

For the purposes of account balance maintenance, all object accounts appropriated in the General
13 Medical Services program classification shall be considered as one object. This will allow
14 timely payment of claims to providers of medical services but ensure that no overspending
15 will occur in the program classification.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts
17 appropriated in the General Medical Services program classification shall be conditioned
18 upon the following provision: the Commissioner of Human Services shall have the authority
19 to convert individuals enrolled in a State-funded program who are also eligible for a federally
20 matchable program, to the federally matchable program without the need for regulations.

21 In addition to the amounts hereinabove appropriated for payments to providers on behalf of
22 medical assistance recipients, such additional sums as may be required are appropriated from
23 the General Fund to cover costs consequent to the establishment of presumptive eligibility
24 for children and pregnant women in the Medicaid (Title XIX) program and the NJ
25 FamilyCare program as defined in P.L.2005, c.156 (C.30:4J-8 et al.).

Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.), no funds are appropriated
27 to the Medical Assistance for the Aged program, which has been eliminated.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts
29 appropriated in the General Medical Services program classification shall be conditioned
30 upon the following provision: when any action by a county welfare agency, whether alone
31 or in combination with the Division of Medical Assistance and Health Services, results in a
32 recovery of improperly granted medical assistance, the Division of Medical Assistance and
33 Health Services may reimburse the county welfare agency in the amount of 25% of the gross
34 recovery.

35 All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194
36 (C.30:4D-20 et seq.) during the current fiscal year are appropriated for payments to providers
37 in the same program class from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, and subject to federal
39 approval, of the amounts appropriated in the General Medical Services program class, the
40 Commissioner of Human Services is authorized to develop and introduce Optional Service
41 Plan Innovations to enhance client choice for users of Medicaid optional services, while
42 containing expenditures.

43 The amount hereinabove appropriated for the Division of Medical Assistance and Health Services
44 first is to be charged to the federal disproportionate share hospital reimbursements anticipated
45 as Medicaid uncompensated care.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
47 appropriated to Hospital Relief Offset Payments is conditioned upon the following: those
hospitals that are eligible to receive a Hospital Relief Subsidy Fund (HRSF) payment may

1 receive enhanced payments from the Medicaid program for providing services to Medicaid
and NJ FamilyCare beneficiaries. The HRSF payment shall be an amount approved by the
3 Director of the Division of Budget and Accounting, determined for acute care general
hospitals and is to be distributed using a new formula effective July 1, 2011. The new
5 formula shall be based on hospital Medicaid utilization compared to industry-wide utilization
for behavioral health, substance abuse, pregnancy, childbirth, and newborn services.
7 Methodology for determining this payment is based on a HRSF factor for all acute care
general hospitals, expressed as a percentage, and is defined as the sum of Medicaid primary
9 discharges for Medicaid and NJ FamilyCare program (Title XIX and Title XXI respectively
from the federal Social Security Act) fee-for-service and encounter (HMO) claims for all
11 Diagnosis-Related Groups (DRGs) in Major Diagnostic Categories (MDCs) 14, 15, 19, and
20 (as specified in the All Patient Refined Diagnosis Related Groups Patient Classification
13 System Definitions Manual published by 3M Health Information Systems), excluding
discharges from Medicaid Excluded Units, divided by the industry-wide sum of these
15 discharges. The aforementioned discharge count will be obtained for each hospital using the
most recent calendar year of data available for which the Division of Medical Assistance and
17 Health Services has 24 months of paid claims data as of February 1 of the year prior to the
subsidy payment year. The HRSF factor for each hospital is then multiplied by the total
19 appropriated HRSF amount, to arrive at the hospital's individual allocation. The division will
use a phase-in process to transition to the new methodology over a three-year period (State
21 Fiscal Year 2012-2014). During the transition period, the allocation will be determined using
a sum of the previous three State Fiscal Year (SFY) allocation amounts plus the allocation
23 amount calculated for the new year, using the new formula. The hospital four-year sum is
divided by the sum of the four-year allocation for all hospitals to arrive at a percent to total.
25 This percent is multiplied by the total appropriated HRSF amount. The new one-year
methodology will be implemented beginning SFY 2015. These total enhanced allocated
27 amounts shall be equal to the total State and federal funds appropriated and are not to exceed
an amount to be approved by the Director of the Division of Budget and Accounting.

29 The amount hereinabove appropriated to Graduate Medical Education (GME) is conditioned
upon the following: Effective July 1, 2011, the new GME allocation shall be calculated
31 based on the sum of Medicaid Primary (Title XIX of the federal Social Security Act) and
Enhanced FamilyCare Part A Inpatient fee-for-service payments (Net of Administrative
33 Payments and Medicaid Excluded unit payments) and data from the hospital's most recent
available submitted cost report as of February 1 of the year prior to the subsidy payment year
35 for acute care general hospitals. The aforementioned hospital payments will be obtained
using the hospital's most recent fiscal year of data for which the Division of Medical
37 Assistance and Health Services has 24 months of paid claims data prior to February 1 of the
year prior to the rate year. An Indirect Medical Education (IME) Factor is calculated for each
39 Medicaid identified acute care general hospital using a ratio of net available beds (less
nursery beds) to submitted IME Resident Full Time Equivalencies (FTEs) and the Medicare
41 IME Formula. This IME factor is applied to the above mentioned Medicaid and FamilyCare
Part A payments to obtain a hospital specific IME payment. Each Medicaid identified acute
43 care general hospital's IME payment amount is then divided by the sum of all Medicaid
identified acute care general hospitals to arrive at a percent to total. This percentage is
45 multiplied by the total appropriated GME amount to determine the hospital's individual
allocation. The Division will use a phase-in process to transition to the new methodology
47 over a three-year period (SFY 2012-2014). During the transition period, the allocation
amount will be determined using a sum of the previous three state fiscal year (SFY)

1 allocation amounts plus the allocation amount calculated for the new year using the new
2 formula. This hospital four-year sum is divided by the sum of the four-year allocation for all
3 hospitals to arrive at a percent to total. This percent is multiplied by the total appropriated
4 GME amount. The new one-year methodology will be implemented beginning SFY 2015.
5 The total amount of these payments shall not exceed an amount approved by the Director of
6 the Division of Budget and Accounting in combined State and federal funds.

7 Of the amounts hereinabove appropriated in State and federal funds in the Hospital Relief Offset
8 Payment accounts in the Department of Human Services, Division of Medical Assistance and
9 Health Services, such sums as may be necessary shall be transferred to the Hospital Relief
10 Subsidy Fund within the Health Care Subsidy Fund established pursuant to P.L.1992, c.160
11 (C.26:2H-18.51 et seq.) to maximize federal revenues related to these accounts and maintain
12 an appropriate level of hospital payments, subject to the approval of the Director of the
13 Division of Budget and Accounting.

14 The appropriations within the General Medical Services program class shall be conditioned upon
15 the following: the Division of Medical Assistance and Health Services (DMAHS), in
16 coordination with the county welfare agencies, shall continue a program to outstation
17 eligibility workers in disproportionate share hospitals and federally qualified health centers.

18 Non-contracted hospitals providing emergency services to Medicaid or NJ FamilyCare members
19 enrolled in the managed care program shall accept, as payment in full, the amounts that the
20 non-contracted hospital would receive from Medicaid for the emergency services and/or any
21 related hospitalization if the beneficiary were enrolled in Medicaid fee-for-service.

22 Notwithstanding the provisions of any law or regulation to the contrary, effective January 1,
23 2009, payments for the Payments of Medical Assistance Recipients - Outpatient Hospital
24 account for outpatient hospital reimbursement for all psychiatric services provided as an
25 outpatient hospital service to all eligible individuals regardless of age, shall be paid at the
26 lower of charges or the prospective hourly rates as defined in N.J.A.C.10:52. Cost related
27 to such services shall be excluded from outpatient hospital cost settlements. Hospitals may
28 provide continued services to all eligible individuals in partial hospitalization programs in
29 need of additional care beyond the 24 month limit and shall bill for these extended services
30 at the community partial care rate of \$77 per day.

31 Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
32 receipts generated or savings realized in Medical Assistance Grants-in-Aid accounts from
33 initiatives may be transferred to the Health Services Administration and Management
34 accounts to fund costs incurred in realizing these additional receipts or savings, subject to the
35 approval of the Director of the Division of Budget and Accounting.

36 Notwithstanding the provisions of any law or regulation to the contrary, effective commencing
37 at the beginning of the current fiscal year and subject to federal approval, of the amounts
38 hereinabove appropriated to Payments of Medical Assistance Recipients - Inpatient Hospital,
39 inpatient medical services provided through the Division of Medical Assistance and Health
40 Services shall be conditioned upon the following provision: No funds shall be expended for
41 hospital services during which a preventable hospital error occurred or for hospital services
42 provided for the necessary inpatient treatment arising from a preventable hospital error, as
43 shall be defined by the Commissioner of Human Services.

44 Of the amount hereinabove appropriated to Payments for Medical Assistance Recipients -
45 Inpatient Hospital, the Division of Medical Assistance and Health Services is authorized to
46 competitively bid and contract for performance of federally mandated inpatient hospital
47 utilization reviews, and the funds necessary for the contracted utilization review of these
hospital services are made available from the Payments for Medical Assistance Recipients

1 - Inpatient Hospital account, subject to the approval of the Director of the Division of Budget
and Accounting.

3 Notwithstanding the provisions of any law or regulation to the contrary, and subject to the notice
provisions of 42 CFR 447.205, of the amount hereinabove appropriated for Payments for
5 Medical Assistance Recipients - Adult Mental Health Residential, personal care assistant
services shall be limited to no more than 25 hours per week, per recipient.

7 Of the amount hereinabove appropriated to Eligibility Determination, the Division of Medical
Assistance and Health Services, subject to federal approval, shall implement policies that
9 would limit the ability of persons who have the financial ability to provide for their own
long-term care needs to manipulate current Medicaid rules to avoid payment for that care.

11 The division shall require, in the case of a married individual requiring long-term care
services, that the portion of the couple's resources that is not protected for the needs of the
13 community spouse be used solely for the purchase of long-term care services.

15 Of the amount hereinabove appropriated for Payments for Medical Assistance Recipients -
Prescription Drugs, the Commissioners of Human Services and Health and Senior Services
shall establish a system to utilize unopened prescription drugs at nursing facilities issued to
17 patients at such facilities and which have not exceeded their expiration date.

19 The unexpended balance at the end of the preceding fiscal year in the NJ FamilyCare -
Affordable and Accessible Health Coverage Benefits account is appropriated for the same
purpose.

21 Of the amount hereinabove appropriated for the NJ FamilyCare program, there shall be
transferred to various accounts, including Direct State Services and State Aid accounts, such
23 amounts, not to exceed \$6,000,000, as are necessary to pay for the administrative costs of the
program, subject to the approval of the Director of the Division of Budget and Accounting.

25 Notwithstanding the provisions of any law or regulation to the contrary, commencing at the
beginning of the fiscal year, of the amounts hereinabove appropriated to NJ FamilyCare -
27 Affordable and Accessible Health Coverage Benefits, premiums will no longer be required
for children from families with incomes at or below 200% of the federal poverty level.

29 Of the revenues received as a result of sanctions to health maintenance organizations
participating in Medicaid Managed Care, an amount not to exceed \$500,000 is appropriated
31 to the Managed Care Initiative or NJ KidCare A - Administration account to improve access
to medical services and quality care through such activities as outreach, education, and
33 awareness, subject to the approval of the Director of the Division of Budget and Accounting.

35 Notwithstanding the provisions of any law or regulation to the contrary, State funding for the
New Jersey Health ACCESS program shall cease, and all enrollment shall be terminated as
of July 1, 2001, or at such later date as shall be established by the Commissioner of Human
37 Services.

39 Rebates from pharmaceutical manufacturing companies during the current fiscal year for
prescription expenditures made to providers on behalf of Medicaid clients are appropriated
for the Payments for Medical Assistance Recipients - Prescription Drugs account.

41 Notwithstanding the provisions of any law or regulation to the contrary, and subject to the notice
provisions of 42 CFR 447.205 where applicable, the amounts hereinabove appropriated to
43 Payments for Medical Assistance Recipients - Prescription Drugs or General Assistance
Medical Services are subject to the following conditions: reimbursement for the cost of
45 certain prescription drugs shall be based on the maximum price which the State shall pay (the
"State Maximum Allowable Cost"), which shall be established by the Commissioner of
47 Human Services. The commissioner shall establish the State Maximum Allowable Costs for
prescription drugs based on cost information and drug acquisition information obtained from

1 suppliers of multi-source prescription drugs.

2 No funding shall be provided from the General Assistance Medical Services or NJ FamilyCare
3 programs for anti-retroviral drugs for the treatment of HIV/AIDS, as specified in the
4 Department of Health and Senior Services' formulary for the AIDS Drugs Distribution
5 Program (ADDP).

6 Notwithstanding the provisions of any law or regulation to the contrary, the appropriation in the
7 General Assistance Medical Services account hereinabove shall be conditioned upon the
8 following provisions which shall apply to the dispensing of prescription drugs through that
9 account: (a) all Maximum Allowable Cost (MAC) drugs dispensed shall state "Brand
10 Medically Necessary" in the prescriber's own handwriting if the prescriber determines that

1 Total Appropriation, The Judiciary \$111,038,000

3 Total Appropriation, Federal Funds \$12,128,463,665

5 Notwithstanding the provisions of any State law or regulation to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

7 In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds including grants for preventive measures; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in previously anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of \$500,000 or less which have been awarded competitively.

23 For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

31 The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 2011 of any unexpended balances which are continued.

35 Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head’s designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the Director deems improper.

41 The sum herein appropriated to the Department of Transportation for the Hudson-Bergen Light Rail Transit System is hereby appropriated, to the extent necessary, to pay the principal of and interest on the grant anticipation notes issued by the New Jersey Transit Corporation.

43 In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, and within the federal matching funding, in the Division of Medical Assistance and Health Services and Division of Disability Services in the Department of Human Services, and within the Medical Services for the Aged program classification, and within the federal

1 matching funding, in the Division of Senior Services in the Department of Health and Senior
2 Services, subject to the approval of the Director of the Division of Budget and Accounting.

3 Notice thereof shall be provided to the Legislative Budget and Finance Officer on the
4 effective date of the approved transfer.

5 Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any
6 purchase by the State or by a State agency or local government unit of equipment, goods or
7 services related to homeland security and domestic preparedness, that is paid for or
8 reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other
9 federal agency, appropriated in the current fiscal year, may be made through the receipt of
10 public bids or as an alternative to public bidding and subject to the provisions of this
11 paragraph, through direct purchase without advertising for bids or rejecting bids already
12 received but not awarded. The equipment, goods or services purchased by a local
13 government unit shall be referred to in the grant agreement issued by the State administrative
14 agency administering such funds and shall be authorized by resolution of the governing body
15 of the local government unit entering into the grant agreement. Such resolution may, without
16 subsequent action of the local governing body, simultaneously accept the grant from the State
17 administrative agency, authorize the insertion of the revenue and offsetting appropriation in
18 the budget of the local government unit, and authorize the contracting agent of the local
19 government unit to procure the equipment, goods or services. A copy of such resolution shall
20 be filed with the chief financial officer of the local government unit, the State administrative
21 agency and the Division of Local Government Services in the Department of Community
22 Affairs. Purchases made without public bidding shall be from vendors that shall either (1)
23 be holders of a current State contract for the equipment, goods or services sought, or (2) be
24 participating in a federal procurement program established by a federal department or agency,
25 or (3) have been approved by the State Treasurer in consultation with the New Jersey
26 Domestic Security Preparedness Task Force. All homeland security purchases herein shall
27 continue to be subject to all grant requirements and conditions approved by the State
28 administrative agency. The Director of the Division of Purchase and Property may enter into
29 or participate in purchasing agreements with one or more other states, or political
30 subdivisions or compact agencies thereof, for the purchase of such equipment, goods or
31 services, using monies appropriated under this act, to meet the domestic preparedness and
32 homeland security needs of this State. Such purchasing agreement may provide for the
33 sharing of costs and the methods of payments relating to such purchases. Furthermore, a
34 county government awarding a contract for Homeland Security equipment, goods or services,
35 may, with the approval of the vendor, extend the terms and conditions of the contract to any
36 other county government that wants to purchase under that contract, subject to notice and
37 documentation requirements issued by the Director of the Division of Local Government
38 Services.

39 Of the amounts appropriated for Income Maintenance Management, amounts may be transferred
40 to the various departments in accordance with the Division of Family Development's
41 agreements, subject to the approval of the Director of the Division of Budget and Accounting.
42 Any unobligated balances remaining from funds transferred to the departments shall be
43 transferred back to the Division of Family Development subject to the approval of the
44 Director of the Division of Budget and Accounting.

45 Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal
46 funds hereinabove appropriated, there are appropriated to the appropriate executive agencies,
47 subject to the approval of the Director of the Division of Budget and Accounting, such
48 additional federal funds received during this fiscal year pursuant to any federal law
49 authorizing a federal economic stimulus program or any other similar federal program for the

1 purposes, projects, and programs set forth in such law; provided, however, that if the federal
law does not delineate the specific purposes, projects, and programs to be funded by the
3 federal funds, the purposes, projects, and programs to be funded by the federal funds shall
be subject to the approval of the Joint Budget Oversight Committee, and further provided,
5 however, that the State Treasurer shall report to the President of the Senate, the Speaker of
the General Assembly, the Chair of the Senate Budget and Appropriations Committee, and
7 the Chair of the Assembly Budget Committee at least quarterly on the receipt and utilization
of all additional federal funds received during this fiscal year pursuant to any federal law
9 authorizing a federal economic stimulus program.

Officials from the appropriate executive agencies are hereby authorized to take such steps, if any,
11 as may be necessary to qualify for, apply for, receive and expend such federal funds and to
make such commitments, representations and other agreements as may be required by the
13 federal government to receive federal funds under federal law authorizing the federal
economic stimulus program or any other similar federal law. Furthermore, and
15 notwithstanding any other law or regulation to the contrary, officials from the appropriate
executive agencies may encumber any of these federal funds appropriated pursuant to this
17 provision prior to entering into any contract, grant or other agreement obligating the federal
funds, subject to the approval of the Director of the Division of Budget and Accounting.

19 Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided
under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block
21 Grant Program (Block Grant Program), pursuant to the American Recovery and Reinvestment
Act, Pub.L. 111-5 and any other similar type of federal stimulus law which may be
23 hereinafter enacted (collectively referred to as ARRA), are appropriated. Subject to the
approval of the Director of the Division of Budget and Accounting as set forth below, such
25 appropriations are to include the administrative costs of the respective agencies in
administering the specified programs provided such use is consistent with ARRA and federal
27 approvals. In the event that the administrative costs are not permitted to be paid from the
ARRA monies received by the State, there is hereby appropriated from the Clean Energy
29 Fund, subject to the approval of the Director of the Division of Budget and Accounting such
sums as shall be necessary to pay for the administrative costs of the agencies administering
31 the specified programs listed below. Notwithstanding the specific appropriations made
below, in the event that the federal funds received under ARRA are not in their entirety or
33 in part allocated to the specific purposes listed below, to permit flexibility in the handling of
appropriations, amounts may be transferred to and from the various items of the
35 appropriations listed below or may be used for such other purposes permitted under ARRA
subject to the approval of the Director of the Division of Budget and Accounting and upon
37 the recommendation of the State Treasurer. The federal funds provided pursuant to ARRA
with respect to the SEP shall be used only for purposes allowed under part D of Title III of
39 the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal funds
provided pursuant to ARRA with respect to the Block Grant Program shall be used only for
41 implementation of programs authorized under subtitle E of Title V of the Energy
Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.). With respect to all federal
43 funds which are appropriated pursuant to this provision, NJEDA, HMFA, the Office of
Energy Savings and the BPU shall prepare and timely submit to the United States Department
45 of Energy the reports required under subsection (c) of section 1512 of Pub.L. 111-5,
including without limitation the detailed information required with respect to all projects or
47 activities for which such federal funds were expended or obligated.

a. SEP. SEP monies received by the State under ARRA are hereby appropriated to the Clean
49 Energy Fund and shall be allocated by the Board of Public Utilities (BPU) as follows.

1 The BPU shall enter into memoranda of understanding with the applicable agencies listed
below which memoranda of understanding shall provide for the transfer of such monies
3 to the applicable agencies for the purposes listed below.

(1) \$15,000,000 to the New Jersey Economic Development Authority (NJEDA) for a
5 grant and loan program to be developed and administered by the NJEDA to fund
public and private renewable energy, energy efficiency and alternative energy
7 projects, with applications prioritized based on the ability to create jobs, reduce
greenhouse gas emissions, save or create energy, and provide for innovative
9 technology;

(2) \$20,643,000 for a program to be developed and administered by the BPU for grants
11 to State departments, agencies, authorities and public colleges and universities
for renewable and energy efficiency projects at such entities, including but not
13 limited to, wind, solar, or hydro energy, biofuels, geothermal, and energy storage
applications, with applications prioritized by an interagency evaluation team
15 consisting of one representative from each of the following, BPU, NJEDA,
Office of Economic Growth, New Jersey Commission on Science and
17 Technology, and the Office of Energy Savings, based on the ability to create
jobs, reduce greenhouse gas emissions, save or create energy, and provide for
19 innovative technology;

(3) \$7,000,000 to the New Jersey Housing Mortgage Finance Agency (HMFA) for a
21 program to be developed and administered by the HMFA to provide financing
for the construction of solar energy projects on qualified multi-family housing
23 financed through the HMFA, such funds to be leveraged with existing State
energy rebate programs and the federal investment tax credit, with grants
25 prioritized based on the ability to create jobs, generate energy, provide benefits
to property residents and to meet HMFA timeframes, and with HMFA retaining
27 ownership of all related solar renewable energy certificates for the purpose of
establishing a revolving fund to support additional solar energy projects at
29 HMFA-supported residential properties;

(4) \$8,000,000 to the HMFA for a low-interest loan program to be developed and
31 administered by the HMFA for energy efficiency upgrades at single-family and
multi-family facilities that are at or below 250% of the area median income (the
33 higher of statewide or county median income) based on a family of four, and
affordable multi-family housing owners which meet HMFA's affordability
35 requirements, and which are not eligible for equivalent financing programs
offered by the utilities or the Clean Energy Program;

(5) \$17,000,000 to the Clean Energy Program for energy efficiency programs
37 administered by the BPU, to be issued to public and private entities on a
first-come, first-served basis and specifically targeting customers who are either
39 not currently eligible for Clean Energy Fund incentives or whose energy
consumption patterns do not make them likely applicants; and
41

(6) \$6,000,000 to the Office of Energy Savings in the New Jersey Department of the
43 Treasury for the purposes of energy efficiency and renewable energy programs
and projects in State facilities, including State offices, State health facilities and
45 State prisons.

b. Block Grant Program. Block Grant monies received by the State under ARRA are
47 hereby appropriated as follows:

(1) \$4,160,700 to the Office of Energy Savings in the New Jersey Department
49 of the Treasury for the purposes of energy efficiency and renewable

energy programs and projects in State facilities, including State offices,
State health facilities and State prisons; and

(2) \$10,240,000 to the BPU for grants to cities, counties and other local units of
government which are not eligible to receive directly from the federal
government funds under the Block Grant Program.

Notwithstanding the provisions of any law or regulation to the contrary, the Department of Labor
and Workforce Development shall consider consistent with applicable federal law a formal
association of community based organizations to be a “local consortium” for the purposes of
receiving funding for the delivery of English as a Second Language or Civics
education/training.

purpose, the head of the State agency or department to which such monetary donation is made
is hereby authorized to accept such monetary donation. Within 10 days of the receipt of any such
monetary donations, the head of the State agency or department accepting the donation shall
notify the Joint Budget Oversight Committee of the donation, including the name of the donor,
the amount of the donation, the intended use of the donation and any specific limits or criteria
imposed by the donor on the use of the funds. The head of the State agency or department
accepting the donation shall notify the Joint Budget Oversight Committee once 50% of the
monetary donation is expended or committed as to the specific expenditures or commitments for
the donation. The head of the State agency or department accepting the donation shall provide
a final accounting to the Joint Budget Oversight Committee within 30 days of the end of the fiscal

do not represent State revenue; sums received representing insurance to cover losses by fire and
other casualties and the unexpended balance at the end of the preceding fiscal year of such sums;

7
8 7. There are appropriated, subject to the approval of the Director of the Division of Budget

10 for the State to comply with the federal “Tax Reform Act of 1986,” Pub.L. 99-514 (26 U.S.C. s.1
11 et seq. as amended), which requires issuers of tax-exempt debt obligations to rebate any arbitrage
12 earnings to the federal government.

13
14 8. There are appropriated from the General Fund, subject to the approval of the Director of
15 the Division of Budget and Accounting, such sums as are necessary to pay interest, at the average

47 funded by Interfund Transfers are appropriated, subject to the approval of the Director of the

the contrary, no unexpended balances at the end of the preceding fiscal year are appropriated
3 without the approval of the Director of the Division of Budget and Accounting, except that the
Legislative Branch of State government shall be exempt from this provision. The Director of the
5 Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of
those instances in which unexpended balances are not appropriated pursuant to this section.

7
16. The administrative costs of the Special Education Medicaid Initiative (SEMI) and the
9 Medicaid Administrative Claiming (MAC) program, including the participation of a consultant,
are appropriated and shall be paid from the revenue received, subject to the approval of the
11 Director of the Division of Budget and Accounting.

13 17. The following transfer of appropriations rules are in effect for the current fiscal year:
a. To permit flexibility in the handling of appropriations, any department or agency that
15 receives an appropriation by law, may, subject to the provisions of this section, or unless
otherwise provided in this act, apply to the Director of the Division of Budget and Accounting
17 for permission to transfer funds from one item of appropriation to a different item of
appropriation. For the purposes of this section, "item of appropriation" means the spending
19 authority identified by an organization code, appropriation source, and program code, unique to
the item. If the director consents to the transfer, the amount transferred shall be credited by the
21 director to the designated item of appropriation and notice thereof shall be provided to the
Legislative Budget and Finance Officer on the effective date of the approved transfer. However,
23 the director, after consenting thereto, shall submit the following transfer requests to the
Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise
25 provided in this act:

(1) Requests for the transfer of State and other non-federal funds, in amounts greater than
27 \$300,000, to or from any item of appropriation;

(2) Requests for the transfer of State and other nonfederal funds, in amounts greater than
29 \$50,000, to or from any Special Purpose account, as defined by major object 5, or Grant account,
as defined by major object 6, within an item of appropriation, from or to a different item of
31 appropriation;

(3) Requests for the transfer of State and other nonfederal funds, in amounts greater than
33 \$50,000, to or from any Special Purpose or Grant account in which the identifying organization
code, appropriation source, and program code, remain the same, provided that the transfer
35 would effect a change in the legislative intent of the appropriations;

(4) Requests for the transfer of State funds, in amounts greater than \$50,000, between items
37 of appropriation in different departments or between items of appropriation in different
appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid,
39 Capital Construction and Debt Service;

(5) Requests for the transfer of federal funds, in amounts greater than \$300,000, from one
41 item of appropriation to another item of appropriation, if the amount of the transfer to an item in
combination with the amount of the appropriation to that item would result in an amount in
43 excess of the appropriation authority for that item, as defined by the program class;

(6) Requests for such other transfers as are appropriate in order to ensure compliance with
45 the legislative intent of this act.

b. The Joint Budget Oversight Committee or its successor may review all transfer requests
47 submitted for legislative approval and may direct the Legislative Budget and Finance Officer to
approve or disapprove any such transfer request. Transfers submitted for legislative approval
49 pursuant to paragraph (4) of subsection a. of this section shall be made only if approved by the

1 Legislative Budget and Finance Officer at the direction of the committee.

3 c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the
transfer of funds submitted for legislative approval within 10 working days of the physical receipt
5 thereof and shall return them to the director. If any provision of this act or any supplement
thereto requires the Legislative Budget and Finance Officer to approve or disapprove requests for
7 the transfer of funds, the request shall be deemed to be approved by the Legislative Budget and
Finance Officer if, within 20 working days of the physical receipt of the request, he has not
9 disapproved the request and so notified the requesting officer. However, this time period shall
not pertain to any transfer request under review by the Joint Budget Oversight Committee or its
successor, provided notice of such review has been given to the director.

11 d. No amount appropriated for any capital improvement shall be used for any temporary
purpose except extraordinary snow removal or extraordinary transportation maintenance, subject
13 to the approval of the Director of the Division of Budget and Accounting. However, an amount
from any appropriation for an item of capital improvement may be transferred to any other item
15 of capital improvement subject to the approval of the director, and, if in an amount greater than
\$300,000, subject to the approval of the Legislative Budget and Finance Officer.

17 e. The provisions of subsections a. through d. of this section shall not apply to appropriations
made to the Legislative or Judicial branches of State government. To permit flexibility in the
19 handling of these appropriations, amounts may be transferred to and from the various items of
appropriation by the appropriate officer or designee with notification given to the director on the
21 effective date thereof.

23 f. Notwithstanding any provisions of this section to the contrary, transfers to and from the
Special Purpose appropriation to the Governor for emergency or necessity under the Other
Interdepartmental Accounts program classification and transfers from the appropriations to the
25 various accounts in the category of Salary Increases and Other Benefits, both in the
Interdepartmental Accounts, shall not be subject to legislative approval or disapproval.

27 18. The Director of the Division of Budget and Accounting shall make such correction of
the title, text or account number of an appropriation necessary to make such appropriation
29 available in accordance with legislative intent. Such correction shall be by written ruling, reciting
in appropriate detail the facts thereof, and reasons therefore, attested by the signature of the
31 Director of the Division of Budget and Accounting and filed in the Division of Budget and
Accounting of the Department of the Treasury as an official record thereof, and any action
33 thereunder, including disbursement and the audit thereof, shall be legally binding and of full force
and virtue. An official copy of each such written ruling shall be transmitted to the Legislative
35 Budget and Finance Officer, upon the effective date of the ruling.

37 19. The Legislative Budget and Finance Officer with the cooperation and assistance of the
39 Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill
to reflect any reorganizations which have been implemented since the presentation of the
41 Governor's Budget Message and Recommendations that were proposed for this fiscal year.

43 20. None of the funds appropriated to the Executive Branch of State government for
Information Processing, Development, Telecommunications, and Related Services and Equipment
45 shall be available to pay for any of these services or equipment without the review of the Office
of Information Technology, and compliance with statewide policies and standards and an
47 approved department Information Technology Strategic Plan; authorization and approval by the
Office of Information Technology is required for expenditure of amounts in excess of an amount
49 determined by the State Treasurer, not to exceed \$5,000.

1 21. If the sum provided in this act for a State aid payment pursuant to formula is insufficient
3 to meet the full requirements of the formula, all recipients of State aid shall have their allocation
5 proportionately reduced, subject to the approval of the Director of the Division of Budget and
Accounting.

7 22. When the duties or responsibilities of any department or branch, except for the
Legislature and any of its agencies, are transferred to any other department or branch, it shall be
9 the duty of the Director of the Division of Budget and Accounting and the director is hereby
empowered to transfer funds appropriated for the maintenance and operation of any such
11 department or branch to such department or branch as shall be charged with the responsibility of
administering the functions so transferred. The Director of the Division of Budget and
13 Accounting shall have the authority to create such new accounts as may be necessary to carry out
the intent of the transfer. Information copies of such transfers shall be transmitted to the
15 Legislative Budget and Finance Officer upon the effective date thereof. If such transfers may be
required among appropriations made to the Legislature and its agencies, the Legislative Budget
17 and Finance Officer, subject to the approval of the President of the Senate and the Speaker of the
General Assembly, is hereby empowered and it shall be that officer's duty to effect such
19 transactions hereinabove described and to notify the Director of the Division of Budget and
Accounting upon the effective date thereof.

21 23. The Director of the Division of Budget and Accounting is empowered and it shall be the
director's duty in the disbursement of funds for payment of expenses classified as salary increases
23 and other benefits, employee benefits, debt service, rent, telephone, data processing, motor pool,
insurance, travel, postage, lease payments on equipment purchases, additions, improvements and
25 equipment, and compensation awards to credit or transfer to the Department of the Treasury, to
an Interdepartmental account, or to the General Fund, as applicable, from any other department,
27 branch or non-State fund source out of funds appropriated or credited thereto, such sums as may
be required to cover the costs of such payment attributable to such other department, branch or
29 non-State fund source, or to reimburse the Department of the Treasury, an Interdepartmental
account, or the General Fund for reductions made representing statewide savings in the above
31 expense classifications, as the director shall determine. Receipts in any non-State funds are
appropriated for the purpose of such transfer.

33 24. The Governor is empowered to direct the State Treasurer to transfer from any State
35 department to any other State department such sums as may be necessary for the cost of any
emergency occasioned by aggression, civil disturbance, sabotage, or disaster. In addition, there
37 are appropriated such additional sums as may be necessary for emergency repairs and
reconstruction of State facilities or property, subject to the approval of the Director of the
39 Division of Budget and Accounting and the Joint Budget Oversight Committee. Appropriations
referred to the Joint Budget Oversight Committee shall be deemed approved, unless a resolution
41 of disapproval is adopted within 10 working days of receipt of notification of the proposed
appropriation.

43 25. Upon request of any department receiving non-State funds, the Director of the Division
45 of Budget and Accounting is empowered to transfer such funds from that department to other

38 funding of hospital charity care computed using a "hospital means test" based on (1) a "Hospital
39 Disproportionate Share Factor" and (2) a "Hospital Shiftability Factor." The Hospital
40 Disproportionate Share Factor shall be calculated based on hospitals' respective annual statewide
41 ranking in the combined provision of New Jersey Charity Care services, fee-for-service Medicaid,
42 and HMO Medicaid services. The "Hospital Shiftability Factor" shall be based on the ratio of
43 commercial payer revenue to combined revenues for Medicaid fee-for-service, HMO Medicaid
44 services, and Charity Care services priced at Medicaid rates including a GME add-on. The
45 proposed Hospital Disproportionate Share Factor and Hospital Shiftability Factor shall be used
46 to insure that the allocation of hospital subsidies relating to Charity Care are targeting institutions
47 with the greatest burden in providing hospital services to the uninsured and underinsured
48 population in New Jersey. In order to reduce the expense of hospital documentation of Charity
49 Care services, hospitals will no longer be required to participate in quarterly and annual audits

1 of hospital documented Charity Care, subject to certification of compliance with Charity Care
3 regulations in the performance of hospitals' annual audited financial statements. Additionally,
5 the regulatory exception to the documentation process that allows for a "best efforts" attestation
7 by the hospital for patients who are admitted for treatment after evaluation in Emergency
9 Departments shall be extended to cases which are treated in the Emergency Department on an
11 outpatient basis.

87. This act shall take effect July 1, 2011.
